

Arizona Census: What you need to know

Every Arizonan counts

The census counts every person living in Arizona.

Your civic duty

The U.S. Constitution mandates that everyone in the country be counted every 10 years.

\$675 billion each year

Distribution of \$675 billion in federal funds is based on each state's population.

\$3,000 per person

It's estimated up to \$3,000 per person, per year is at stake for Arizona.

\$20.5 billion

More than \$20.5 billion annually in federal funding supports critical programs in Arizona.

Arizona's future

Census data gives leaders vital information to make decisions about building community centers, opening businesses and planning for our state's future.

Arizona representation

The census is used to redraw legislative districts and determine Arizona's representation in Washington D.C.

Your privacy is protected

Your responses to the 2020 Census are safe, secure, and protected by federal law.

How responses are used

Your answers can only be used to produce statistics. They cannot be used against you by any government agency or court in any way—not by the FBI, CIA, DHS, ICE. And not by local law enforcement, or state agencies like DES or DCS.

What will be asked?

You will be asked a few simple questions, like age, gender, and the number of people who live in your home, including children.

What won't be asked?

The census will never ask for Social Security numbers, bank or credit card numbers, money or donations, or anything related to political parties.

3 ways to respond

Now you can respond to the census online, by phone or by mail.

Count everyone. Everyone.

Newborns. Foster children. Grandparents. Non-relatives. Count every person living or staying in your home.

Where census money goes

Schools, health services, roads, after-school programs, community services and much, much more.
